PROFESSIONAL SUMMARY

Aspiring Computer Science professional with a strong academic foundation in Artificial Intelligence and Natural Language Processing. Developed a deep learning based Morphological Analysis system using an LSTM model for accurate Part-of-Speech (POS) tagging on the Universal Dependencies dataset. Skilled in Python, machine learning, and data preprocessing with experience in building and evaluating NLP models. Eager to apply my programming skills and problem-solving mindset to an entry-level technical role.

TECHNICAL SKILLS

- **Languages:** Java, Python, C, SQL (MySQL).
- **AI/ML Concepts:** NLP Basics, Morphological Analysis, LSTM Networks, Text Preprocessing, Tokenization.
- **Web Technologies:** HTML, JavaScript (Basic).
- **Tools & Software:** VS Code, Google Colab, Jupyter Notebook.
- **Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOPs), DBMS.

TECHNICAL PROJECT

Morphological Analysis using LSTM-based POS Tagging | Python, PyTorch, NLP

- Trained and evaluated the model on the Universal Dependencies English Web Treebank dataset using sequence modeling techniques.
- Achieved **~91%** training accuracy and **~84%** development accuracy in predicting grammatical structures of sentences.
- This system helps in understanding grammatical structure of text and can be extended for advanced NLP tasks like lemmatization, text analysis, and language processing.

INTERNSHIP

Software Development Intern | SRRS Solutions | 1 Month

- Developed **SQL stored procedures** for inserting, updating, and deleting employee records.
- Implemented queries for **salary analysis, department-wise data retrieval, and employee filtering.**
- Gained hands-on experience in **SQL database management and HTML webpage development.**

EDUCATION

M.Sc. Computer Science (Final Year) | Pratap College (Autonomous), Amalner | 2024 – 2026 (Expected)

- Affiliated with KBC North Maharashtra University (NMU).
- Currently in Final Year; Academic Performance: CGPA 7.79 (Sem I-III)

B.Sc. Computer Science | Pratap College (Autonomous), Amalner | 2021 – 2024

- Affiliated with KBC North Maharashtra University (NMU).
- Academic Performance: CGPA 8.18 (TY), CGPA 8.06 (SY), CGPA 8.52 (FY)

HSC (12th Grade) | *Maharashtra State Board* | 2021 | 84.85%

SSC (10th Grade) | *Maharashtra State Board* | 2019 | 85.00%

STRENGTHS & INTERESTS

- **Strengths:** Quick learner, Strong problem-solving skills, Adaptability to new technologies
- **Interests:** Learning new technologies, Listening to music, Singing.
